

## Quality & Risk Advisor

### Risk and Assurance, Wellington, Full Time, Permanent or Secondment Opportunity

- **Relationship Management**
- **Adding Value Through Advice**
- **Key Position**

This position offers you the opportunity to influence at the highest level, through the provision of assurance, advice and support in the area of risk management. The key to success is utilising your exceptional relationship management skills, analytical ability and sound business acumen. You will have strong written and verbal communication skills and a focus on continuous improvement.

The Risk and Assurance Group provides independent advice, assurance and support to management regarding the adequacy of practices, systems and controls within the Ministry and its service lines.

This is an excellent opportunity to work in one of New Zealand's largest government agencies. We pride ourselves on being the centre of excellence in the public sector for risk and assurance policy and practice.

Your challenge is to play your part in delivering this across a large, dynamic and diverse organisation.
